

Petition against renaming Russian Fort Elizabeth

We, the undersigned, vehemently oppose the renaming of the Russian Fort Elizabeth on the island of Kaua'i, in the Hawaiian Islands. The fort, one of three built in 1816 by the Russian American Company as a result of an alliance with High Chief Kaumuali'i, was designated a National Historical Landmark in 1966 and is currently administered by the Russian Fort Elizabeth State Historical Park. Now a small group of Hawaiian locals are pressing to rename the fort completely and by doing so, distort its historical value and change the pages of history completely. Please support the petition against renaming, sign it and send it by email to *crahq@earthlink.net*.
